Friends of Bottesford Library

The charity Bottesford Community Library Association (BCLA) will take over running the library from Leicestershire County Council in October 2015, in order to keep it open.

BCLA volunteers will run the library and we will continue to provide all the usual library services for the Parish of Bottesford and surrounding area. So you will still be able to reserve and borrow books, as well as use the computers and look at the local history collection.

As well as providing library services, we are hoping to run regular community activities in the library. We hope that these will include a toddler group, a poetry group, day time book groups for adults and children and many more things. We will also use the space for art exhibitions and talks by authors and artists.

Our plea

We will need to raise money in order to keep the library open and run activities for the community. We estimate it will cost several thousand pounds per year to cover running costs and insurance. Money will also be needed for new equipment and alterations to the building. We hope you will consider helping the library financially as we will rely on the generosity of our Friends and users to make this venture a success. We can achieve this together.

As a Friend of the Library you will receive a regular newsletter, be invited to Friends only events and get the first opportunity to buy tickets for talks and shows.

To support us please complete both sides of this form.

Personal Details

I would like to become a Friend of Bottesford Library to ensure the library continues to provide a valuable service for the Parish of Bottesford and surrounding area.
